EasyRack Office

Carica batterie ad induzione *Inductive charging*

EasyRack Office può essere attrezzato con un pratico carica batterie ad induzione. Sarà sufficiente appoggiare il vostro device sul piano dedicato, per ricaricare il vostro dispositivo mobile senza bisogno di collegamenti via cavo. Per i dispositivi Apple è necessaria un'apposita cover facilmente reperibile.

*Easyrack office can equipped with a handy inductive battery charging.
You just need to lay your device on the dedicated support to start the charging,
without any cable connection.
For Apple devices is required a special cover available on the market.*
