

Collezione di specchi con cornice minimale in alluminio verniciato, rastremata e luce integrata. Il profilo li connota fortemente e crea un elegante effetto di leggerezza. La luce a Led, orizzontale o verticale, incassata nel profilo, si diffonde in modo omogeneo. Disponibili in diversi formati, orientabili a piacere. Un facile sistema di aggancio permette di creare inedite composizioni decorative.

*Mirrors collection with minimal aluminium frame and integrated light. The tapered painted aluminium profile strongly connotes it and creates an elegant effect of lightness. The horizontal or vertical LED light, embedded in the profile, spreads homogeneously to create splendor and an unique atmosphere. Available in different sizes, that you can hang as you want, it can be combined to create original decorative compositions.*

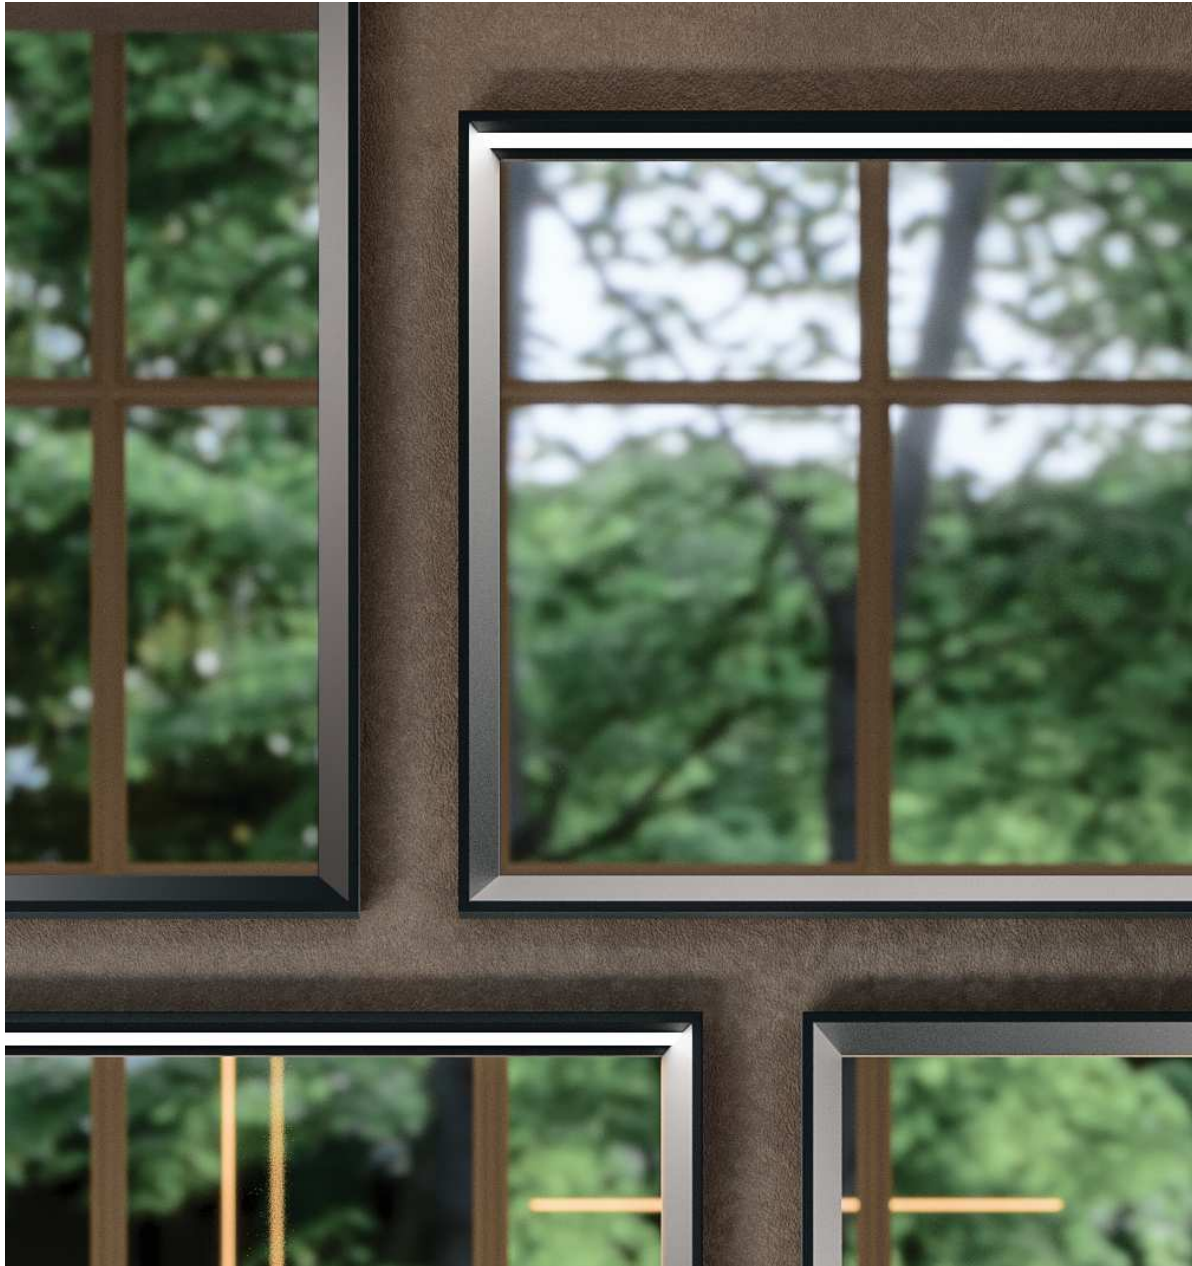

## EasyMirror

---

## EasyPocket

Mensole svuotatasche in diverse lunghezze, con profilo in alluminio verniciato rastremato e fondo in vetro ribassato. Per contenere ed esporre oggetti con rigore ed eleganza. Versatile ed adatto ad ogni ambiente, è estremamente utile per organizzare lo spazio. Da usare singolarmente o in composizioni multiple.

*Shelves of minimal depth and different lengths, with tapered painted aluminum profile and lowered glass bottom. To contain and display objects with minimalism and elegance. Versatile and suitable for any environment, it is extremely useful to organize the room. It can be used individually or in multiple compositions.*
